Wednesday, August 10

Message From Reclaiming Earth Committee – Wednesday Earth Wisdom:

The Season of Creation starts September 1, and ends on October 4, 2016, which is the feast of St. Francis of Assisi. Pope Francis has invited people around the globe to pray and reflect global needs.

This ecumenical time of prayer will be celebrated in Manila with a reflection on ecological conversion by Bishop Broderick Pabillo, in Mexico with an overnight silent prayer service; in New York with advocacy sessions; in New Zealand; and in parishes and communities around the world.

If you would like access to resources to help plan a service for this occasion, go to seasonofcreation.org.

At the Seasons of Creation website, look for the Take Action link. Action can be for people of various faiths. If you click on the Catholic page for action, it will ask if we should take action on climate change, Yes or No. The petition on the part of Catholics for Climate Change already has 908,431 signatures and will be sent to local, national and international leaders.

What is YOUR call during this Season of Creation?
