Message From Reclaiming Earth Committee – Wednesday Earth Wisdom:

As we enter this New Year, the message from Pope Francis for the January 1st World Day of Peace, “Non-Violence: A Style of Politics for Peace,” states that, “An integral ecology is also made up of simple daily gestures that break with the logic of violence, exploitation and selfishness. (#5: Domestic Roots of a politics of nonviolence)

”It is to show mercy by refusing to discard people, harm the environment, or seek to win at any cost.” (#6)

In *Laudato Si*, he states, “When the foundations of social life are corroded, what ensues are battles over conflicting interests, new forms of violence and brutality, and obstacles to the growth of a genuine culture of care for the environment.” (Par. 229)

How do you express Mercy in your life, in your actions?
