Message From Reclaiming Earth Committee

The human heart is the first home of democracy.

It is where we embrace our questions:

Can we be equitable? Can we be generous?

Can we listen with our whole beings, not just with our minds,

and offer our attention rather than our opinion?

and do we have enough resolve in our hearts to

act courageously, relentlessly,

without giving up, trusting our fellow citizens to

join us in our determined pursuit-

a living democracy?

EARTH LETTER, by Terry Tempest Williams
Fall 2018

With election day less than two weeks away, are you ready? Reflection, discussion, review of personal values and faith call are all timely at this point.

To repeat from a prayer found in Fall 2018 edition of Earth Letter: "Our faith belongs in the voting booth as well as in the sanctuary."
