

A Message from Reclaiming Earth Committee - June 12

"We can have democracy and a prosperous, just, and sustainable human future. Or we can have corporate rule. We cannot have both." ~ David Korten

"If there is to be a human future, we must bring ourselves into balanced relationship with one another and the Earth." ~ David Korten

"The natural world is the larger sacred community to which we belong. To be alienated from this community is to become destitute in all that makes us human. To damage this community is to diminish our own existence." ~ Thomas Berry

"We are talking only to ourselves. We are not talking to the rivers, we are not listening to the wind and stars. We have broken the great conversation. By breaking that conversation we have shattered the universe. All the disasters that are happening now are a consequence of that spiritual 'autism.'" ~ Thomas Berry

"Someday, after mastering the winds, the waves, the tides and gravity, we shall harness for God the energies of love, and then, for a second time in the history of the world, man will have discovered fire." ~ Pierre Teilhard de Chardin

"We are not human beings having a spiritual experience; we are spiritual beings having a human experience." ~ Pierre Teilhard de Chardin

"The movers and shakers on our planet aren't the billionaires and generals, they are the incredible numbers of people around the world filled with love for neighbor and for the earth who are resisting, remaking, restoring, renewing and revitalising." ~ Bill McKibben

"The technology we need most badly is the technology of community, the knowledge about how to cooperate to get things done." ~ Bill McKibben
